for all the family

Canoeing

Canoe hire: From the rafting centre in Hessa our canoe tours start. The river is grade 1 on this section, it's moving but no waves. This makes it suitable for people with no previous canoe experience. The tour is 6km and finishes on the banks of Manfla Lake.

Canoes: Our canoes have 3 seats and are suitable for 2 adults and a child.

Time: This tour lasts about 3 hours, but you can hire the canoe for the whole day and explore further upstream and around the lake taking a picnic with you.

Equipment: Suitable clothing depending on the weather and something to drink. We supply; canoe, paddles, buoyancy aid, map and dry bag.

Season: From early May until late September.

Min number: 2 people

Options: We have 2 canoe trailers and can hire the canoes independently, so please contact us if you would like to arrange a canoe tour at a different venue.
